

## Titan® Expander Barrier 3m

Recommended Applications include: Hotels & Resorts, Department Stores, Leisure Centres, Cinema Foyers, Schools & Colleges, Hospitals, Railway Stations, Garage Forecourts, Air & Sea Ports, Industry, Maintenance & Factory Locations.

**Compact:** When closed the Titan® Expander Barrier is just 550mm which makes it extremely practical for transporting and carrying around.

**Flexibility:** Expanding action gives user length flexibility fixed-length barriers systems do not have.

**Compatibility:** The Titan® Expander can conveniently link to JSP's Titan® and Frontier® Barriers.

**Feet Options:** Two feet options available; the standard foot and the New Anti-trip Foot design, painted in a high visibility yellow and featuring two reflectors per foot for extra visibility in low light situations.

**Lightweight:** Overall weight of 10.5kg means it is light enough to handle with relative ease but stable enough to hold itself upright in windy conditions, rough ground or hustle and bustle from the public.

**Unique Clip:** Unique design of clip means that when barrier is closed it is held together for ease of transport and the it can also be used to connect multiple systems together when extended.

**Colours:** Black/Yellow - Blue/White
