Description

- UV- and chemical-resistant polypropylene skin and filler absorb oils but repel water-based liquids
- Ideal for skimming oil off acid or caustic baths or for use in other acidic environments
- Spunbond polypropylene skin is UV resistant up to 12 months; meets ANSI and MIL spec standards for static decay
- Attached string allows socks to be tied down, tied together or dipped into tanks
- Absorbs and retains oil-based liquids - including lubricants, fuels and cleaning agents - without taking in a drop of water; float at the surface for easy retrieval

Recycled Content	: 98% Pre-Consumer Recycled Polypropylene Filler
