

Workgate® 4 Gate with Reflectives - Red

The WorkGate® is a robust mini barrier designed with contractors in mind. Supplied as 3 or 4 gate versions offering a very versatile solution to many environments and requirements.

Reflective Panel: Fully reflective panel meeting EN12899-1 requirements.

Flexible Linking: Black adjoining clips give flexible multi positioning configurations.

Handles: Convenient handles with moulded finger grips make the WorkGate® especially easy to manoeuvre.

Contractor Branding: Large area to allow contractor details to be applied in decal form.

Feet: Optional anti-trip feet create a more stable WorkGate® for linear usage.

Options: The WorkGate® can be linked to form a square, a triangle or in a single line making it practical for most uses and environments.

Recyclable: Contains no metal parts, making it ideal for working in electrical environments and easy to recycle.

Temporary Signage: Locating holes enable courtesy or pedestrian signs to be fitted.
